- ASCRS (American Society of Cataract and Refractive Surgeons)
- ISRS (International Society of Refractive Surgeons)
- ASRS (Member)

RESEARCH EXPERIENCE

- A Randomized sham-controlled double masked Phase 2a study of the efficacy, safety and tolerability of the intravitreal plasma, in subjects with center-involving diabetic macular edema (ciDME) who have had prior anti-vascular endothelial growth factor treatment
- Submitted to New England Journal Of Medicine 6/20 12
Case Report- Ecstasy Induced Retinopathy
- A Clinical Effectiveness, Multicenter, Randomized, Double-Masked, Controlled Study Of The Efficacy And Safety In Subjects With Subfoveal Choroidal Neovascularization (Cnv) Secondary To Age-Related Macular Degeneration (Amd)
- A Phase III, Multi-Center, Randomized Double-Masked, Sham-Controlled Study to Compare the Efficacy and Safety of Intravitreal Therapy with Sham Injections in Patients with Geographic Atrophy (GA) Secondary to Age-Related Macular Degeneration (AMD)
- A Phase 2, Randomized, Placebo-Controlled, Double-Masked Study to Assess Safety and Efficacy of Multiple Doses of , an Antisense Inhibitor , in Patients with Geographic Atrophy Secondary to Age-

Related Macular Degeneration (AMD)

INTERESTS AND ACTIVITIES

I have a great love for working with the retina surgically and clinically in pathology presented and surgical methods of improving vision with patients with retinal pathology. I have a deep interest in cataract surgery lens and intraocular lens complications/dislocations. Currently I employ two different techniques for iol fixation, without conjunctival incision. Yamani intrascleral haptic fixation, and Akreos prolene 4 point rivet technique. I have in the past used other techniques such as glued iol, 4 point gortex scleral fixation, iris fixation, but have found the former 2 techniques to be superior in most cases.

Planning future Ophthalmologic Service trips to underserved areas of the world, Squash, Pickleball, tennis, fishing, camping, hiking, white water rafting, scuba diving, family activities and family history research.
